

GOVERNMENT OF NATIONAL CAPITAL TERRITORY OF DELHI
TRANSPORT DEPARTMENT
5/9 UNDER HILL ROAD: DELHI-110054

Subject: Extension of the validity of documents related to Motor Vehicles Act, 1988
and Central Motor Vehicle Rules, 1989

Ministry of Road Transport and Highways had issued advisories dated 30.03.2020, 09.06.2020, 24.08.2020, 27.12.2020, 26.03.2021 and 17.06.2021 to all States and Union Territories regarding extension of validity of the documents related to Motor Vehicles Act, 1988 and Central Motor Vehicles Rules, 1989. It was advised that in case of Fitness, Permit (all types), Driving License, Registration or any other concerned document(s) whose extension of validity could not or was not likely be granted due to lock-down and which had expired since 01.02.2020 or would expire by 30.09.2021, the same may be treated to be valid till 30.9.2021. Enforcement authorities were advised to treat such documents valid till 30.09.2021.

Information has been received from various field offices that a large number of applicants are turning up for various services as the validity of various documents is going to expire on 30.9.2021.

Instances of heavy crowding at various driving license centres have also been reported which is a matter of concern for the health and safety of applicants as well as the staff delivering the public services.

It is also noted that due to prolonged period of lockdown during the last one and a half year period, there has been a cascading impact on the essential activities, leading to congestion, crowding and delay in various services including services of Transport Department.

Even though, the situation has become almost normal but adequate precautionary steps are required to be taken to avoid recurrence of Covid Pandemic like situation and for that reason it is proposed that the validity of documents issued by Transport Department, which expired between 01.02.2020 to 30.09.2021, may be further extended for two months i.e. upto 30.11.2021.

However, the vehicles plying on road should have a valid PUC to ensure pollution control.

This issues with the approval of Hon'ble Minister (Transport).
